

What is the Community Benefit Project ?

Every year the Cooroy RSL & Citizens Memorial Bowls Club Inc donates funds to local non profit organisations and schools to assist their endeavor's.

This year we have introduced the Community Benefit project whereas Financial and Honorary members of our Club's can nominate which organisation they would like to donate their Club Rewards points to. Club Rewards are obtained every time a member makes any purchase throughout the club, or when they play the poker machines and can become quite a substantial amount annually.

To assist organisations we are offering complimentary Cooroy RSL & Bowls Club Honorary Memberships to your organisations members and supporters so that they may collect points on your behalf whenever they utilize either the Cooroy RSL or Bowls Clubs. It is easy to get started— just follow these 3 steps!

- 1. Fill out the Community Organisation Application on the back and post/email or fax back.**
- 2. Print or photocopy the accompanying Community Benefit Member form and distribute to your members for filling in (they do not need to do this if they are already RSL/Bowls members—just let them know about the Project and how they can authorize the donation of their Club Rewards to your organisation by informing Reception when they are next at the club and signing a verification slip).**
- 3. Collect and post back to the RSL the completed application forms. Otherwise your members can post their application directly or drop them into the Club.**

Once we have received your members applications we shall post out Honorary Membership cards to them immediately so that your bank can commence growing!

Should you have any enquiries do not hesitate to contact Sandy Bolton during business hours on 54476131.

We look forward to a good Club Rewards year for you and a healthy sized donation to your organisation at the end of the year!
