when new tills operational

Firstly, we thank all members and their friends and families who joined us in welcoming in the 2009 with one of the best New Years parties in the region and in years! Great pics on the screens – so check out our naughtiest and nicest party goers when you are next in town!

Secondly, warm wishes from our clubs Committee's, Management, Members and Board for a fantastic 2009, with safety, happiness and good health as top priority!

Thirdly, what's on for the year? LOTS! Both our venues are full of excitement, with many new initiatives being undertaken while retaining our commitment to THE friendliest and best service anywhere, a quality product at the best of prices and continuing community endeavors.

Included in these is a "mini makeover" in both clubhouses, so if you have not been in to visit us, please drop in and check out our volunteers handiwork! Special thanks to all those that have donated their time and efforts so far – it really is incredible that we have such fantastic people in our Club.

The RSL venue has a **new video jukebox** and plasma screen available for free nightly, with **Saturday Nite Live** commencing with a Piano Lounge for this month. A **new Social Club "OUT"** is being formed, which shall offer everything from offshore fishing to road trips – Show Away's to Stay Away's! This club is great for newcomers to the area to meet some new friends, and for anyone, single or partnered, who just wants to get out and have a great time. Interested? Just call the club and leave your name and email or phone number. What else? A revamped **Goose Club** on Saturdays that includes Keno Syndicates and other treats. And for those that look forward to knock off time – once our new tills are installed come in from 4.30 – 5.30 Monday to Friday for the best **HAPPY HOUR** around! With \$2 pots and yummy cocktails you never need go thirsty!

A New menu and wine list shall be unveiled towards March. Our normal **Meal Deals** and free children's meals will remain in their current time slots due to popular demand, and we shall trial **Kids Kapers** in the Board room on Sundays for lunch and dinner to give mum n' dad some quality time together. However, the highlight is our **2009 Community Commitment Project**. Our new **Club Rewards** Program which shall commence once the new tills are installed will be innovative and simple, and enables members and non members to "donate" their collected points in the form of a yearly cash payment to a local non profit organization of their choice. This will assist the whole community including local sporting groups and schools by enabling them to become more self sufficient, as well as ensuring that money is kept in our community. For organisations that wish to participate, simply contact Sandy at the RSL for information. Members who do not wish to donate their points have the option of spending their rewards anywhere in the Club, however they are not redeemable for cash. Club Rewards replaces and is equivalent to all current discounts, with the added bonus of now receiving "points" on Takeaway Sales and Poker Machines. **SHOWCASE STAMPS** have now ended, and once the new system is in place please bring your stamps in to convert into points in your bank.

EVENTS Book NOW for Valentines on Sat 14th Feb. Complimentary champers for the ladies! **P & O CRUISE** - Congratulations to our lucky winner, Jacky Simmons, who donated the cruise to her son and daughter in law as she was unable to go! Great mum that one!

BOWLS BITS! Check out page 3 for the new program.

PRICE INCREASES— The new CPI increases have been released, and we apologise on behalf of the government for any discomfort to your pocket on this! Some items have increased more than others due to the previous raise being absorbed which we no longer can do. Some items are actually cheaper than before with a change of suppliers—so at least some good news! Price changes will take effect later in the month when the new tills are in place.

Happy Valentines to all member! *The Crew*

IN THE DITCH

On the bowls front, it was lovely coming back to freshly renovated greens and to the freshening up of the Clubhouse, with a new outdoor drinks garden (yes, smoking is allowed!) Thank you to Russell, Yvonne, Bert and helpers for your efforts – fantastic! Suko Thai's outdoor dining garden should be completed by early in the year – it will provide much needed extra seating!

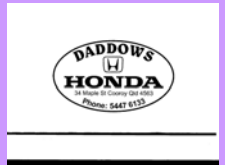

We have a new program in place for 2009, with bowls for everyone at every level. Barefoot fun for beginners, singles, pairs and triples for the experienced and plenty of night bowls for social players means there is no excuse not to have a go. Teams still being taken for Monday and Wednesday nights – grab your workmates and have some fun. The Schools and Junior Programs are already underway, with nominations for both the Schools Cup and Noosa Cup Challenges open for primary and high Schooler's. Thank you to Subway for coming on board this year to keep our young players well fed!

For charities and non profit organizations please get in early to secure your dates for your fund raisers this year as limited greens time available. Ring either Bevan or Yvonne on 54476051 to discuss. Twilight Sessions for everyone are available Thursday and Friday nights for your own bowls parties and a cool roll up. At just \$6 per player including all equipment this is the best value night out!
