The fires of Victoria have us appreciating what we have, and needing to assist is some small way those that have suffered from this tragic event. We thank those members that have supported our raffles in the last fortnight which has raised just over \$2000 to go to the Fire and Flood Appeal. Our continuing goal is to now raise funds for the "Mates Of Marysville" project which is Cooroy's "Adopt A Town" led by Gayne Emblin from Ritek who has family that live in the devastated area.

Starting with an Auction and Raffles on March 11, we ask members to donate or source creative objects such as a painting or sculpture for this fundraiser. So far the highlights are the **Kalgoorlie Gold Nugget (pictured) and lunch with Sunshine Coast Mayor Bob Abbot**. Which one is the most valuable gem and get top bidding? Gayne will be along to give an update on the community, and provide some photos that as the year goes on will be updated to give us a birds eye view on the towns progress. **We ask all members to attend on that night and bid or buy some tickets in the raffles.**

Australia Day brought some lovely recognition to Nathanael & Joanna Ford who received a 'High Commendation' for 'Local Legends' for 'Promoter of Civic Pride, Hospitality, Friendship & Caring' category. Well done to you both! And to Sandy B's better half "Shoey" who got himself an OAM for his work with bowls as a commentator, coach and player. We truly are in good company~!

A huge thank you to John Simmons, Phil & Lyn Hutchinson, Russell Butler, Yvonne Pattinson, Ken Morgan and Eric for completing the interior painting of the Club. Big sigh—now onto the outside!

The first of our **Saturday Nite Live** was a great success, with patrons treated to the lovely talents of young pianist Tess Bennett. At just 17, Tess is a real star of the future, and as a bonus can sing as well! **The first "OUT"** trip is the St Paddys Day Races at Gympie, so put on your best green outfits and join us for a fun journey north. The **Goose Club Keno syndicate had it's first big win** and everybody has been enjoying the new mega cheap Happy Hours at the Bowls 3.30-4.30 and at the RSL 4.30-5.30. So lots for you to do!

A new menu will be released this month, and Peta's wine lists at both clubs have already been refreshed. Our normal **Meal Deals** and free children's meals will remain in their current time slots due to popular demand, and **Kids Kapers** will continue as it has been the best fun for the littlies.

The **Club Rewards** Program has now started and enables members to "donate" their collected points in the form of a yearly cash payment to a local non profit organization of their choice. For organisations that wish to be a recipient simply contact Sandy at the RSL for information. Members who do not wish to donate their points have the option of spending their rewards anywhere in the Club, however they are not redeemable for cash or Pokie change. Club Rewards replaces and is equivalent to all current discounts, with the added bonus of now receiving "points" on Takeaway Sales and Poker Machines. However, points cannot be accumulated during Happy Hours. If you have not had your card activated yet do so at reception. Remember that to activate your card in the poker machines at the Bowls club, insert your card twice with a 30 second gap (this only needs to be done once).

You will have noticed that there has been some **price changes** due to the first price audit that has been undertaken for some years, and the combined CPI increases from the last year. We apologise for any inconvenience, and we can happily report that we have still retained equal to or cheaper than our competitors with our bar prices.
