

The Possums and Kelsey @ Camp

Junior Goss May 2008

Thanks to the RSL for our new bowls!

Winter Program

We will resume coaching and the volunteers a week's break. The next 4 week block will allow us to have a pairs competition. You will need to arrange your own partners for this competition. However, a team of two will have to

have a member from each list (A & B) of players shown below. This ensures that the teams will be reasonably balanced for ability. Rule variation: The mat must be at least 8 metres from the ditch. We will arrange play each day as circumstances permit. Bevan Mahoney

REGULAR INFO
